Measures for accidents caused by intent,

gross negligence, or violation of laws and regulations

Accidents caused by gross negligence

Property insurance does not apply. In addition, we will charge you for all of the following amounts.

- Full compensation for the vehicle price
- Compensation for business interruption
- 200,000 yen as compensation for gross negligence

[Accidents caused by gross negligence]

- Drunk driving
- Driving while under the influence of alcohol
- Falling asleep at the wheel
- Driving without a license
- Driving while overworked
- Exceeding the speed limit by 30km/h or more
- Accidents caused intentionally
- When there is a risk that the driver may not be able to drive normally due to illness or the effects of drugs, etc.
- Dangerous driving, etc.

If the insurance company we are enrolled with determines that the policyholder or driver was 100% at fault, it will be considered an accident due to gross negligence and CDW will not apply.

* Self-inflicted accidents caused by normal use in accordance with traffic rules do not fall under the above.
